ORDER

GREGORY H. WOODS, United States District Judge:

On November 22, 2023, counsel for the United States filed a “Notice of Settlement of Order,” together with a proposed “Final Order of Garnishment” to be entered by the Court (the “Proposed Order”). Dkt. No. 183. A substantial number of facts are embedded in the Proposed Order. They are included in the recitals to the Proposed Order and in the operative paragraphs of the Proposed Order.

The factual predicate for an application to the Court must be set forth in a sworn affidavit. That principle applies to the United States as well as other parties. Therefore, the Court declines to enter the Proposed Order on this record. Any renewed application should be accompanied by a sworn affidavit setting forth all of the facts to be considered by the Court in connection with the Proposed Order.

SO ORDERED.
